Dear Parents and Carers,

**Polite Reminder**

I am writing to remind you of school policy in regard to posting photographs of your child/children on social media.

We are more than happy for parents and carers to take photographs of their child/children at school events, plays etc, but we ask that these are NOT posted on social media. This is because they may contain images of other children whose parents/carers do not wish for their child/children's image to be distributed in this way.

Can we also remind parents and carers that no professional images of children e.g. class photos should be shared in this way due to copyright laws.

We also ask that parents and carers ensure that other family members and friends are aware of this policy.

Thank you for your continued support

Mrs J Weichlbauer
