Dear Parents/Carer

We have been in touch with the Health Protection Hub to clarify our procedures in relation to unwell pupils. They are advising that if a pupil is displaying any signs of illness, even if it is not COVID related, e.g. cold, sore throat, upset stomach, they are to stay at home until no longer symptomatic or for a minimum of 48 hours. If the illness is COVID related, pupils will normally start showing classic COVID symptoms.

- Continuous cough
- High temperature
- Loss of taste and smell

If pupils develop these symptoms, they will need to have the test and the family needs to self-isolate in line with government guidance. We ask if your child becomes symptomatic of COVID whilst absence from school due to illness, contact school immediately, so we can work together to arrange a test. If your child becomes ill outside school hours please arrange a test via the NHS website and inform the school by e-mail [A2168@taw.org.uk](mailto:A2168@taw.org.uk)

Thank you for your continued support.

Kind regards

Mrs J Weichlbauer
