This Week in Nursery

The nursery children had a big surprise waiting in the outdoor play area.

Over the Summer holidays new play equipment was installed.

We are all so excited and can't wait to play on it!

Thank You

We would like to say a big thank you to Jewson for supplying the wood for the development of our KS1 outdoor area. We would also like to thank Mr & Mrs Lloyd for all their hard work designing and building the project.

Walking Bus

We are looking at starting a walking bus for the children. If this is something you would like to help with can you please contact Mrs Mahy School Business Manager on 01952 388 370 or A2168@taw.org.uk

Message Home

It has been lovely welcoming your children back to school this week. They have really enjoyed wider mixing on the playground and having assemblies with their friends. It has been lovely to see them interacting more and school has felt a lot more 'normal' for everyone.

Over the summer we have had lots of work completed in and around school; new toilets in KS1, nursery play equipment and a ramp in one of our halls. Our new caretaker, Mr Boden, has also been busy decorating rooms in school and we now have a freshly painted library!

The staff have worked very hard over the summer to make their classrooms inviting and planning lots of

exciting learning for them. We hope that your children have enjoyed their first week back at school as much as the staff have!

To ensure that we are able to keep school operating in the way that we are, we ask that all parents support us in testing for COVID, no matter how mild the symptoms are in children or adults. Staff are regularly testing for COVID 19 themselves and we also ask that parents test twice a week in line with Government guidelines. This will allow us to identify positive cases quickly and act following the advice of our Health Protection team and Government Guidance.

Well Done Girls!

These special sisters decided they would like raise some money for the Afghanistan children coming over to the UK. They both had a huge clear out of their bedrooms and had a stall outside their house and raised a whopping £96.00 in just one day! With a few other donations off friends and family their final total raised was £150 which has now been sent this to the Save The Children charity. They were so overwhelmed with everyone's generosity.

We are so proud of you both!

Swimming

Swimming lessons have been arranged and will take place every **Tuesday** for **ten weeks** for all pupils in Year 4 & 5. This is to support us in ensuring that all children will be able to swim at least 25 metres by the end of Year 6. This is at no cost to yourselves as it is funded jointly by School and Telford and Wrekin Council.

Swimming lessons **start** on **Tuesday 14th September,** the **last** session will be **Tuesday 23rd November 21**. Your child will be taken by coach to the swimming pool.

Your child will require a swimming costume, towel, coat and bag to place wet items into. We would prefer boys to wear swimming trunks rather than shorts as most children find these easier to swim in. Girls need to bring a costume rather than a bikini/tankini. They will also need a bag to put their clothes in whilst swimming.

This swimming lesson will be one of their PE lessons for the week.

Music Lessons with Mrs Angus

Mrs Angus , will continue with music lessons from Monday 6th September.

Lessons are available for piano, flute, saxophone, recorder, voice and violin.

Lessons are £8.50 per student per week for 15 minute individual lessons (similar lessons would cost around £12.50 with Telford and Wrekin music). 30 minutes individual lesson is £16.00

Please email school, A2168@taw.org.uk who will send the email on to myself.

Vacancy

We have a vacancy for a casual lunchtime supervisory assistant, 5 hours a week, term time. The closing date is Friday 17th September 2021.

If you require any further information please email the office on A2168@taw.org.uk
