This Week in Class 7 Miss Jewell

We have had a fun week in Class 7! In Maths we have been making equal groups and have been sharing objects equally between different amounts of people. The children have been Wise Owls by using their previous learning to help them work out answers.

On Wednesday we went on a flight around the United Kingdom! We hopped aboard Ladygrove Airlines and visited Scotland, Northern Ireland and Wales, before heading back to England. We made flags for each country and waved these when we landed in each country. We learnt that different foods originated in different countries, and we tried some of these foods when we visited each place. The Bakewell tarts were very popular!

Daily Mile Track

Exciting news! work has started on our daily mile track. We are hoping for it to be finished in around 4 weeks time. Look out for our weekly progress updates

Help Needed

Some corridors and classrooms of our old part of school are in desperately need of a paint . Our caretaker does an amazing job but could do with a helping hand!

Does anyone know or work for a decorating company, or knows of a general company that does works in the community, who would be willing to help us with some painting?

We will provide the paint.

Please email A2168@taw.org.uk or phone us on 01952 388370 if you are able to help.
