This Week in Class 6 Miss Harris

I am absolutely amazed at how well class 6 have settled into year 1 over the last two weeks! They have made me proud every single day. This week we have particularly enjoyed our maths lessons where we have been working on our counting and representing numbers to 20. We have used counters, compare bears, ten frames and lots of other mathematical equipment to consolidate our learning on numbers to 20. We have been Tough Tortoises when recognising numbers and we will keep practising this! We also enjoyed tasting different foods in science this week and pulled some funny faces – especially when we tried the marmite and lemon! Thank you for making my first two weeks with you wonderful year 1. Keep up the amazing work!

Lunchtime Supervisory Assistant required 6 ¼ hours per week , (11.55-1.10) Scale 1 £9.90 per hour to start as soon as possible.

If you are interested, please email selina.mahy1@taw.org.uk by Friday 23rd September 2022.
