

Date set: Friday 23rd September 2022

Every day counts…every minute matters!

Let's get talking!

What have you been learning?

3 Big questions and answers to support talking at home! Encourage your child to explain and answer these questions.

	Questions	Answers
1	**Maths** How can I rearrange 54?	40+14=54 30+24=54 20+34=54
2	**Science** Which one is the odd one out? 	Possible answers: The glass because it is transparent. The glass because it breaks easily. The children were great at thinking of many different reasons this week.
3	**Celebrate** Tell the adults at home how you have been a resourceful squirrel, tough tortoise, team ant or wise owl this week.	**Our Learning Animals:**  **Tough Tortoise** – keeps going when learning gets tough and does not give up. He shows the qualities of resilience and perseverance.  **Resourceful Squirrel** – is resourceful and uses things around him to help. He is independent and tries to solve problems independently first and then looks for helop if needed.  **Wise Owl** – is reflective and thinks carefully about what he has learnt before to get better.  **Team Ant** – always works as a team. He is kind to his team-mates and knows that when we work together we can achieve more.
