Homework- 14.10.22

Maths

This week, we would like you to complete the ten Testbase questions linked to multiplication using the knowledge we have of our multiplication tables.

Please also spend some time practising a times tables you find more difficult, whether that's on Times Table Rockstars, rehearsing them aloud or writing them down.

Reading

In Year 6, reading is at the heart of everything we do and we love hearing about the books that you are reading when we listen to you read individually and in our Whole Class Reading sessions. Please read at least 3 times a week and write an entry in your Reading Records- this will be checked every Friday.

Spelling

Spellings are set every week. It is up to you how you wish to practise your spellings. You may wish to do a 'Look, Cover, Write, Check', a Spelling Squiggle or asking someone at home to test you each day. Spellings for this week are:

vegetable profession communicate aggressive thumb environment appreciate muscle stomach curious

Homework is due in every Thursday. Have a lovely weekend and stay safe 😊
