This Week in Class 5 Mr Clarke

In Class 5 we have been very busy settling into the new school year. We have learnt all about our SMART code, our learning animals and school values. We love following the SMART code because it helps us make the right choices.

In maths we have been learning all about place value, addition and subtraction. We have been learning how we can use the equipment to help us solve problems. We are getting very good at working together to solve mathematical concepts.

As a class we are also really enjoying reading stories at the end of the day. We have currently voted three books into our favourite five chart. We can't wait to add more to our favourite five list. We have also been enjoying sharing our word of the day. So far we have learnt 'swagger', 'tongue-tied' and 'grating'.

Harvest Festival

On Wednesday 12th October, we will be holding our Harvest Festival assembly in school, this will be for our children only. The children will be singing harvest songs and sharing a range of harvest themed work.

As part of our celebrations, we are collecting food donations for our local food bank. If you would like to donate any items such as tins, dried food, or toiletries etc, can we ask that they come into school on the morning of Wednesday 12th October and handed to your child's class teacher.

Thank-you for your continued support.

We would like to say a massive thank you to Dawley Hamlets Parish Council for the £344.00 grant awarded to Ladygrove. This will go towards this year's panto trip.

The children love this special trip so thank you again from the children.

MACMILLAN CANCER SUPPORT

We would like to say a big thank you to all the staff and PTA that helped during the day and all the cake donations.

We raised £118.89 for such an amazing charity.

Thank you for your continued support.

The Smile Mile

Our new sign for the Smile Mile has arrived. It will be put up over the next couple of weeks, so please look out for it.

We would like to say thank you to Mrs Williams for her amazing design and to Lottie for choosing the fabulous name.

Poilite Reminder

As a school we are continuing to work with Telford & Wrekin Council regarding traffic management around Ladygrove. Can we please be mindful of parking and driving around the school. The surrounding area is a residential area, it is important speed limits are kept to and designated parking is used. If you have any concerns please contact the school office or Telford & Wrekin Council direct on traffic.schemes@telford.gov.uk

We would also like to remind parents/carers the school vehicle gates must not be used as a turning point/drop off point as it is dangerous for children, parents, and staff.

We do not expect parents/carers to park on the zigzags or double yellow lines outside of the school for the same reason. Also with a large number of cars parking we suggest turning your engines off.

Please help us to keep your children as safe as possible.
