This Week in Class 3 Miss Ellis

In class 3 we have been learning about the digestive system in Science this week and they took part in an amazing science workshop with Mrs Porter. In the workshop, we spoke about the importance of the digestive system and how it helps our body to function.

The children spent time testing their knowledge to see if they could match the organ names to the pictures. They did amazingly well.

Reporting Pupil Absence

Can we please ask parents/carers that if your child is not going to be attending school you must contact the school office before 8:45 (preferably via email). Also if you wish to inform us of an appointment the best way to do this is via email.

We now have a new designated email address

ladygrove.absence@taw.org.uk

For all general enquiries please still use the A2168@taw.org.uk

If you wish to contact class teachers all email addresses can be found on the school website.

Please remember to include your child's name and class teacher,

Thank you for your continued support

#HelloYellow

YOUNGMiNDS

We would like to say thank you to everyone that donated towards this wears #HellowYellow day. This is in support of children & young peoples mental health. We raised £172.51.

Well done Team Ladygrove

Ladygrove Website

We would like to remind parents/carers please don't forget to look at our website as it has all the school information you require on events, trips, clubs, lunches and much more.

Poilite Reminder

As a school we are continuing to work with Telford & Wrekin Council regarding traffic management around Ladygrove. Can we please be mindful of parking and driving around the school. The surrounding area is a residential area, it is important speed limits are kept to and designated parking is used. If you have any concerns please contact the school office or Telford & Wrekin Council direct on traffic.schemes@telford.gov.uk

We would also like to remind parents/carers the school vehicle gates must not be used as a turning point/drop off point as it is dangerous for children, parents, and staff.

We do not expect parents/carers to park on the zigzags or double yellow lines outside of the school for the same reason. Also with a large number of cars parking we suggest turning your engines off.

Please help us to keep your children as safe as possible.
