This Week in Class 9 Mr Trusler

This week Year 4 having been partaking in Anti-Bullying Week and Children In Need day. They have joined thousands of schools in a BBC Anti-bullying live lesson and have learned what the different types of bullying are, how to deal with bullying and identified who their trusted adults are in their lives. The children then role played different bullying scenarios and discussed what the characters should do. The children then used their learning to design and produced Anti-Bullying Posters to display in class. As part of our Children in Need Day, the children learned about the origins of Children in Need and how the charity aims to help children. The children presented their learning in their class sharing assembly to their parents on Friday.

Focused Attendance Week

Congratulations to class 3 Miss Ellis for coming first in our focused attendance week. They achieved 100% attendance across the entire week.

The results were close with class 12 Miss Evans achieving 99.15% and class 8 Miss Clark with 98.67%.

Well done to all the children in school.

NUMBOTS

NumBots is all about every child achieving the "triple win" of understanding, recall and fluency in mental addition and subtraction, so that they move from counting to calculating. Numbots provides children with a fun way to learn and includes good models and images to support the children's understanding of mathematical concepts.

Year 5 Cricket

In year 5, we are very lucky to be taking part in Community Programme Bright Stars Cricket sessions. Each week we practise a different skill including catching, striking, and fielding. The lessons are linked to life skills to develop the children's resilience, teamwork, and coordination even further. The children have really enjoyed taking part in the programme.

Robyn K "It is really fun"

Iyla S "It is really good how the teachers give information in small steps"

Haydn Q "The skills that we taught are broken down. I really like batting"

Ruben D "I really like the structure and the way the lessons are organised"

Thank you everyone that contributed towards the year 1 cake sale. We raised £89.45. Thank you for your continued support. thank you!
