This Week in Class 10 Miss Dodds

Children in Class 10 are becoming expert Computer Programmers and have continued to build on their knowledge using coding softwars. The children used the laptops and Crumble kits and have learned some amazing ICT skills, including:

- Wiring up and connecting the Crumble
- Learning to use the Crumble software
- Creating a simple program to produce a light show on the sparkle
- Using count controlled and forever loops

Understanding conditions and how these can be used to trigger events.

NUMBOTS

NumBots is all about every child achieving the "triple win" of understanding, recall and fluency in mental addition and subtraction, so that they move from counting to calculating. Numbots provides children with a fun way to learn and includes good models and images to support the children's understanding of mathematical concepts.

NumBot Champions:	
Reception	Roman A
Miss Jewell	Lily R Lucy C
Miss Harris	Amelia W Sheikh Tijan Sum Wing Y
Mr Clarke	Jessica R Phoebe H Sophia K
Miss Thomas	Aurora J Linc M Connan M
Well done for being Tough Tortoises, Wise Owls and stretching your marvellous memory!

Children in Need

We would like to say a huge thank you to everyone that helped raise £1059.08 for this years Children in Need appeal.

Well done Team Ladygrove.

Celebrating Success

Congratulations!

Well done to Veronika in year 5 who is proving to be quite the superstar. Veronika has been having Drum lessons for just under a year now and is doing so well.

What a fantastic achievement!

Polite Reminder

As a school we are continuing to work with Telford & Wrekin Council regarding traffic management around Ladygrove. Can we please be mindful of parking and driving around the school. The surrounding area is a residential area, it is important speed limits are kept to and designated parking is used. If you have any concerns please contact the school office or Telford & Wrekin Council direct traffic.schemes@telford.gov.uk
