HOME-SCHOOL AGREEMENT

EVERY DAY COUNTS, EVERY MINUTE MATTERS.'

The staff and governors of Ladygrove Primary School are very pleased that you are part of our Ladygrove Family. We believe that a strong partnership between home and school is essential if children are to succeed and hope that you will continue to join us in that commitment.

The responsibilities of parents and carers:

- Promise us that you accept the school's overall aims and objectives and positively support those who work here.
- Promise us that you will send your child to school with sufficient energy to work at a variety of activities for at least 5 hours a day. (Medical advice suggests that most 5-8 year olds need between 10 and 12 hours sleep per night)
- Promise us that should an attendance problem develop you will work actively with school to solve it (parents should remember that school must grant permission, in advance, for a holiday during term time).
- Promise us that you will support the school's behaviour and discipline policy, encourage your child to respect everyone within the school community, and to care for the school and its environment.
- Promise us that you will encourage safe use of the internet and mobile technologies.
- Promise to be prepared to discuss any concerns about your child's behaviour that may occur.
- Promise to work closely with everyone involved in my child's education so they get the most out of their time at Ladygrove School.
- Promise us that you will accept partnership with the school in your child's education, by supporting with homework and wherever possible, promoting opportunities for home learning.

Promise us that your child will have appropriate school uniform including PE Kit

The responsibility of the school: We will

- Treat all children as individuals and develop their self-confidence and esteem alongside their academic abilities.
- Work hard to make you feel welcome and offer you the opportunities to find out about the school's teaching and learning programmes and to be involved in them.
- Deliver the National Curriculum in challenging ways appropriate to your child's learning and which will enable your child to achieve his/her potential.
- Make children's learning journey as an enjoyable, context rich and practical as possible.
- Teach children how to be 'good' learners by developing skills of resilience, reflection, reciprocity and resourcefulness
- Prepare children for life in 21st Century Britain, by teaching them about sustainability, the difference between right and wrong and how to get along with people from different backgrounds and cultures.
- Provide a secure, caring and stimulating environment for your child which will allow him/her the maximum opportunity to work, learn and play happily.
- Give you regular information about your child's progress, knowledge, skills and attitudes and give early warning of any concerns about learning, behaviour and relationships.

Responsibilities of your child

To follow the school SMART code at all times:

S	Speak politely and listen carefully
M	Make school enjoyable for everyone
A	Act safely and sensibly
R	Respect and care for each other and the environment
T	Try your best at all times

I agree to tell an adult in school if I am unhappy in any way so that any issues can be sorted out.
