SMSC in Art

Through teaching Art, we can also develop children's spiritual, moral, social and cultural development.

Spiritual Development

- To use imagination and creativity, to explore ideas and feelings in works of Art and express themselves through their own art and design activities.
- To appreciate the achievements of other artists both contemporary and from the past
- To develop fascination, awe and wonder in the work of others

Moral Development

- To talk about how artists and designers represent moral issues through their work.

Social Development

- To collaborate to create pieces of work.
- To respect each other's ideas and opinions when talking about pieces of art and design including the work of others in the class.
- Recognise the need to consider the views of others Develop collaborative, cooperative and teamwork skills.

Cultural Development

- To reflect on the ways in which cultures are represented in art and design, understanding the ideas behind art, craft and design in different cultural contexts
- Explore a range of festivals and celebrations from our own and other cultures
