This Week in Class 6 Miss Harris

This week in year 1 we have particularly enjoyed adding the last details onto our moon buggies. This included attaching the axle holders and the axles with the wheels attached using elastic bands. Although this was tricky, we were Tough Tortoises and showed resilience and determination to keep trying. Our moon buggies look fantastic! Later in the week we looked closely at our moon buggies and evaluated them. Firstly, we checked to see whether our moon buggies fit the design brief that the aliens sent us and then we reflected on what the easiest part was and which part we found difficult. We then considered what could make our moon buggies even better if we were to make them again. We are very happy with our moon buggies, and we are excited to share them with you during our sharing assembly next week!

Supporting Darcey

We are supporting Darcey and her family in raising money for Birmingham Children's hospital. If you would like to support this please use this link below.

Mrs Morgan in school will also be raising money for this good cause, and is having her head shaved this weekend too!

We will keep you updated with the fundraising efforts.

Focused Attendance Week

Thank you for your support with the Focused Attendance Week last term.

Here at Ladygrove we view attendance, including punctuality, as a high priority. We would like you to work with us to ensure that your children attend school on time every day. We know that Covid has had a big impact on children's attendance at school, which is why we are focusing on it this year.

Next week is our focused Attendance Week - Monday 6th February - Friday10th February, where we recognise the children who come to school on time and every day. Every child who attends on every day and on time, will be given a 100% attendance sticker. The class with the highest attendance during the week will earn an extra treat of hot chocolate and a biscuit in class.

If your child is ill, please call the office at the earliest time possible on the first day of absence so that we can record this on the register or email into ladygrove.absence@taw.org.uk

If they just seem off colour, send them in, as quite often they perk up once here.

Can we remind you of the times when your children should be absent from school:

*If your child has sickness and/or diarrhoea, then they must stay off for 48 hours after the last episode.

*If your child has got chicken pox they need to stay off until the spots have scabbed.

Thank you for your continued support.

Celebrating Success

Congratulations!

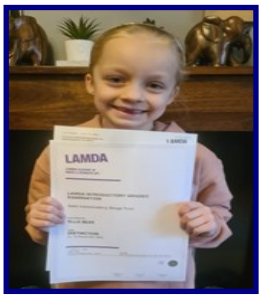

Well done to Flora in Reception 2 who took part in her first Cheerleading competition this weekend.

Well done to Ella in year 3 who did her second LAMDA exam before Christmas (London Academy of Music and Dramatic Arts) and got another Distinction.

What a fantastic achievement!

We are very proud of you!
