This Week in Class 2 Mrs Tamplin

In Class 2 this week, we have been very busy completing our Spring Term assessments and I couldn't be prouder of their resilience. However, on Wednesday, we were very lucky because we got to go on a local walk and learn all about Dawley's past. We would like to say a big thank you to Mr Wolf, the historian, who told us very important facts about the Town.

In Science, we have been exploring magnets and looking at which magnets have the strongest force. We had fun predicting and carrying out experiments.

Our focus this term in PSHE is how we keep healthy, this week we looked at making healthy choices and understanding a balanced diet.

Egg-citing Update

The children in Reception have been amazed by the chicks this week. They have grown really quickly and now have real feathers on their wings. They cheep very loudly and love to flap their wings. On Friday they will be collected by the farmer, and he will take them to their new home.

red nose day

On Friday 17th March we will be having a non-uniform day children and staff are invited to wear Red for the day and asking for a donation of £1 for Red Nose day.

As part of our fundraising events for Red Nose Day our year 6 children will be running activities/ stalls at break time. We are asking if you could provide your child with some small change (up to £1) on the day to take part in these fundraising activities.

Thank you for your continued support.

Free School Meals

Are you entitled?

You can register your child for Free School Meals if you get any of these benefits:

The bottles are £1.75 each. Once payment is received the water bottle will be delivered to your child in their class by the following school day.

Polite Reminder

If you would like to be considered to serve as parent governor, please return paperwork to school office by Monday 13th March at 5pm. A paper and electronic copy has been sent out this week.

Thank you

IMPORTANT REMINDERS

It has come to our attention that our late arrivals are increasing on a daily basis. It is important that children arrive in school on time as lateness impacts on valuable learning time. All lateness is monitored by our schools Education Welfare Officer and formal action can take place if punctuality does not improve. Every 10 minutes missed, equates to half a phonics/reading

session. As you can appreciate this adds up throughout the week and impacts on your child's progress.

Can we please ask parents/carers that if your child is not going to be attending school you must contact the school office before 8:45 (preferably via email). Also if you wish to inform us of an appointment the best way to do this is via email.

For all general enquiries please still use the A2168@taw.org.uk

If you wish to contact class teachers all email addresses can be found on the school website.

The disabled bays on the carpark are only to be used by blue badge holders. Please display your badge clearly.

Thank you for your continued support.
