This Week in Class 3 Miss Ellis

This week Year 4 have been learning how to cross stitch and applique. They have used their skills to create their own Viking pouches.

IMPORTANT REMINDER

Can we please remind all parents that the large blue gates on to the playground are where you should be entering the school site to drop off your children in a morning, except for those children who attend Nursery. The entrance for Nursery children is at the front of school. We ask that you use the main blue playground gates, as is it is the safest way for your children to enter the school site.

The gated area outside the Reception classes will be unlocked by staff at 8.25 each morning, to allow access to the Reception classes. We are keeping this area locked until then, as staff have set up learning experiences for the EYFS children as part of their morning lessons.

We appreciate that this may add time to your drop-off route in the morning, but it is much safer for everyone and ensures that the Reception children's learning is not disrupted.

Thank you for your continued support.
