This Week in Class 10 Miss Dodds

We have been designing and making Snow Globes, inspired by our whole class reading book, The Nowhere Emporium by Ross Mackenzie. The children thought about their favourite memory/place and recreated this inside glass jars, using small world figures, clay, glitter and found items such as shells. Some children included pictures of their family and much-loved pets. They had a wonderful time getting creative with their ideas. Their finished globes were amazing, and the children were so proud of their creations. Next week, the children will write a set of detailed instructions in English telling someone else how to make their own snow-globe using a glass jar.

Thank you

We would like to say a big 'Thank-you' to the volunteer decorators from the Wrekin Housing Group Community Fund who decorated some of our corridors over the Easter break. They look amazing!

Celebrating Success

Over the Easter holidays Oliver took part in two separate LTA U8 tennis tournaments, and he came second in both. This is a huge achievement for him as he's been taking part in these types of tournaments for the last 18 months and this is the first time, he's managed to get silver and then to get it twice in a row.

On Saturday 22nd April he has been selected by tennis Shropshire to be part of the U8 boys team for the annual LTA county cup which takes place at the Shrewsbury club and he will be competing against Worcestershire, Herefordshire and Staffordshire. We would like to wish Oliver the best of luck representing Shropshire and hopefully his team can progress to the next stage of the tournament!!

Warm welcome to Ladygrove

We would like to introduce our new members of the team.

Miss Blythe who is covering Miss Jewell's maternity leave. Mrs Lewis who has taken a HLTA position and Mrs Gough who has joined our lunchtime team.
