This Week in Class 6 Miss Harris

This week in class 6, the children have had great fun in our science lessons. A couple of months ago the children planted radish seeds in our allotment and on Friday Miss Harris went to dig them all up and they looked delicious, so we decided to use our radishes as well as other fruit and vegetables to design and create our own scrumptious salads. This was a wonderful way to bring our topic of plants to an end. Well done on a fantastic last week of Summer 1 year 1. We are looking forward to everything that Summer 2 brings!

Home Farm Reception Trip

As part of Reception's theme, what does a farmer do, we spent a fantastic day at Home Farm in Attingham. We were guided around by two farmers. We got to bottle feed the lambs and goat and we fed the pigs and cows. We had the best day!

Welcome to Ladygrove

We would to welcome Miss Bryan who has joined our Year 2 team and Miss Dodd who has joined our Year 5 team.

PTA MUFTI Day

Ladygrove PTA would like our school to take part in a Mufti Day on Friday 9th June.

We are asking both staff and children for donations ready for our school Summer Fayre which will be held on Thursday 22nd June. Donations for mufti day can include items such as chocolate, sweets, alcohol, toiletries, gift sets, children's books, and toys in good condition.

Thank-you for your continued support.
