This Week in Class 5 Mr Clarke

As part of our DT work, the class have enjoyed learning about vegetables and making Vietnamese Spring Rolls. First, they tasted the vegetables to see what they liked the taste of and then chose their favourites to add to the spring roll. They then looked at some existing spring rolls to see what they should look like and designed their own, thinking carefully about taste and appearance. Then came the fun part-making the spring roll! The children used rice paper, dipped it into water, chopped, grated and sliced the vegetables and then carefully rolled them inside. The spring rolls looked delicious, and I was very impressed with the resilience the children showed to get them right, especially when everybody was brave enough to taste them! Well done Year 2!

IMPORTANT REMINDERS

It has come to our attention that our late arrivals are increasing on a daily basis. It is important that children arrive in school on time as lateness impacts on valuable learning time. All lateness is monitored by our schools Education Welfare Officer and formal action can take place if lateness does not improve. For every 10 minutes missed equates to half a phonics/reading session missed. As you can appreciate this adds up throughout the week and impacts on your child's progress.

Can we please ask parents/carers that if your child is not going to be attending school you must contact the school office before 8:45 (preferably via email). Also if you wish to inform us of an appointment the best way to do this is via email.

The disabled bays on the carpark are only to be used by blue badge holders. Please display your badge clearly.

Thank you for your continued support.
