This Week in Class 2 Mrs Tamplin

What a creative week we have had in Year 3 this week. We have looked at the artist Georgia O'Keeffe as part of our work on the 'Roaring 20s' and created some super still life artwork. In Science we have been looking at how the eye works and created, with coloured paper, a labelled diagram of what an eye looks like inside. Finally, in maths, we made our very own clocks and used them to help us answer questions related to time. The children have had a great year this year and most definitely Year 4 ready! Well done.
