This Week in Class 3 Miss Ellis

In Science the children have been learning about classification of animals. They went to the Think Tank and were given the opportunity to touch and hold real life animals and insects. The children learnt all about Carl Linnaeus and how he classified animals. The children created their own classification systems and added the real animals to their systems!

Ladygrove Nursery Places

We have limited spaces remaining for our September intake 2023. Our setting is able to offer 15 and 30 hour funded places and parents are able to pay for additional hours if more are required. If you or someone you know are interested please contact the office on 01952 388 370 or A2168@taw.org.uk for further information.

Celebrating Success

Congratulations!

Well done to Antoni in year 2 who has recently joined the National BMX racing team. This has been Antoni's biggest dream since he started riding. In his most recent races, he has been very successful finishing 1st, 2nd and 4th place over various rounds.

What a fantastic achievement!

We are very proud of you!

We are very happy to share the wonderful news that our PTA have donated £7500.00 towards the new School Library. They raised the following amounts at Summer events.

- Summer Fayre £1973.00
- Sports Day £314.50
- Summer Disco £442.00

We would like to thank all of the parents for their kind donations, the PTA & volunteers for their help and hard work in organizing; and also for our teachers and support staff for their contribution at the events too.
