This Week in Class 1 Mr Irvine

This week, Class 1 have completed their Geography field work around school. We went on a walk around the school grounds to collect different items for our journey sticks. We attached each item with string, and we ensured that they were in chronological order—like a timeline. The items were personal to each pupil, which encourages a sense of ersonal geographical experience. Some examples of items that we collected were leaves, sticks, rocks, stones, sweet wrappers, and tree rubbings. Then, we developed our understanding of maps by looking at both an aerial and ordnance survey map, and we marked where we found each item. Following this, we drew our own map showing the school grounds and where we had been.

Ladygrove Nursery Places

We have some spaces remaining for our September intake 2023. Our setting is able to offer 15 and 30 hour funded places and parents are able to pay for additional hours if more are required. If you or someone you know are interested please contact the office on 01952 388 370 or A2168@taw.org.uk for further information.

Thank-you!

Parent Voice

'If you have a child with SEND, can you please fill in this questionnaire for Miss Ellis our SENDCO.'

IMPORTANT REMINDER

As a school we are continuing to work with Telford & Wrekin Council regarding traffic management around Ladygrove. Can we please ask parents/carers to be mindful when parking and driving around the school. The surrounding area is a residential area, it is important speed limits are kept to and designated parking is used.

If you have any concerns please contact the school office or Telford & Wrekin Council direct traffic.schemes@telford.gov.uk
