This Week in Year 1 Mrs Skelton

Wow! What a great week in Year one!

This week we have started learning about our senses by taking part in a taste test. The children were really brave and tried everything. We pulled some funny faces when we didn't like the taste!

We have also been having fun in Forest School where we have been collecting things to make a "smelly cocktail".

Mobile Devices

We are going to be introducing a new policy for parents and visitors to the school regarding mobile phones and smart watches. We are in the process of purchasing lockers for our school foyer and will be asking all visitors, including parents and carers, to lock their devices up securely so they are not brought into school. You will be asked to return your phone to your vehicle if you'd prefer.

For larger events such as nativities and performances, we kindly ask that you only take photos of your own children and that you do not post other children on social media.

Thank you for your support in keeping our children safe.

senso

We regularly monitor online content in school to ensure that your children are accessing age-appropriate material. We used a system called SENSO which manages computer activity in schools and will notify identified Designated Safeguarding Leads of any websites or words which may be unsuitable or do not follow guidelines. This system allows us to filter and monitor content and ensure that we can still use valuable websites and block any inappropriate ones. The safety of your children is always our number one priority.

Ladygrove Water Bottles

Ladygrove water bottles are now on sale. You are able to purchase these using your SCOPAY account. If you haven't already set your account up please contact the school office to discuss this. The bottles are £1.75 each. Once payment is received the water bottle will be delivered to your child in their class by the following school day.

Year 3 Shropshire Discovery Centre

On Thursday, Year 3 went to Shropshire Discovery Centre to learn all the about Stone Age. We are so proud of how every child represented Ladygrove throughout the day with their fantastic attitude and listening. We saw and learnt some amazing things. We were taught how to throw a spear, hunt like they did during the Stone Age, had a go at our own cave paintings and we even saw a woolly mammoth skeleton! We are going to use all our new and interesting knowledge to support our learning moving forward. Well done Year 3!

Wednesday 18th October 2023	Year 2 Dudley Castle & Zoo Trip
Friday 27th October 2023	Halloween Themed Lunch

Ladygrove PTA

Get involved this autumn…

Ladygrove PTA (Parent Teacher Association) is a small group of parents with children at Ladygrove who volunteer time to fundraise for school. But we need more help!

We're looking for more members as we have loads of ideas but not enough of us to be able to do everything! It's not just for mums! We welcome all guardians, dads, grandads AND grandmas. You don't have to have loads of time, you don't have to sit in loads of boring meetings, but you do need to be able to help with a couple of events a year or fundraise behind the scenes and have energy and enthusiasm.

So don't ghost us, drop a line to friendsoflady-grove@yahoo.co.uk or speak to the school who can pass on our contacts.

Ladygrove Postcard

Look out for one of our Ladygrove postcard emails arriving in your inbox! Teachers are beginning to email out postcards to let you know about the fabulous work and positive behaviour of your children. They will be linked to our learning animals and Ladygrove values.
