This Week in Year 3 Mrs Tamplin

What a great start to Year 3 we have had! The children have done so much already, and we couldn't be prouder. This week we have been looking at column method for addition in maths, thoughts and feelings through a short animation called 'The Birds' in English where the children have used prediction and vocabulary to enhance their writing, made Stone Age tools with clay, talked about seed dispersal in science and strummed away on our ukeleles to 'A Sailor Went to See' in Music! Keep up the hard work class 2, you are amazing!.

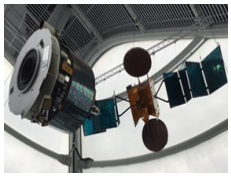

Year 5 National Space Centre

Year Five had a wonderful time at the Leicester Space Centre. They explored the interactive displays and visited the Sir Patrick Moor Planetarium for an out of this world experience!

Sports at Ladygrove

Another great effort from the girls, with great communication and resilience. Although the girls were defeated, they never gave up and played with true Ladygrove spirit.

The year five and six children were amazing at Cross Country on Tuesday. They really were Ladygrove Tough Tortoises.

An extra special well done to Haydn for finishing 3rd place in the Year six boy's race.

In Year 5 & 6, we are very lucky to be taking part in Community Programme Bright Stars Cricket sessions. Over 6 weeks, we will be developing our catching, throwing, fielding, and striking skills, before playing a match.
