# This Week in Reception Mr Clarke

This week, as **Team Ants** we explored the outdoors to think about winter. On our work we were surprised to see ice, frost and no leaves on some trees! We had an interesting conversation about why some trees had leaves and some didn't.

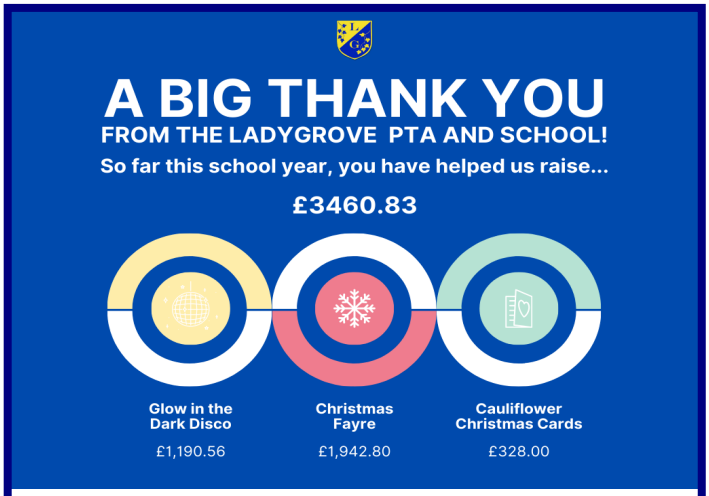

During maths we have been working hard to remember our number bonds to ten and understanding the value of ten by being **Resourceful Squirrels** and using our numicon.

In PSHE, we've been **Team Ants** and **Tough Tortoises** as we have learnt to overcome challenges through persevering and working as a team. The children learnt that these are two important values at Ladygrove and very important to use in later life!

Happy New Year from your Ladygrove PTA!

We wanted to let you know just how much your kind donations and your money helps Ladygrove PTA raise funds for the school.

We are so very fortunate to have a fantastic community around us and we really do appreciate all of your support; whether that be through your donations, or from purchasing tickets for raffles and our events, we are so grateful to you. We can't wait to see what 2024 has in store for us!

# IMPORTANT REMINDERS

It has come to our attention that our late arrivals are increasing on a daily basis. It is important that children arrive in school on time as lateness impacts on valuable learning time. All lateness is monitored by our schools Education Welfare Officer and formal action can take place if lateness does not improve. For every 10 minutes missed equates to half a phonics/reading session missed. As you can appreciate this adds up throughout the week and impacts on your child's progress.

Can we please ask parents/carers that if your child is not going to be attending school you must contact the school office before 8:45 (preferably via email). Also if you wish to inform us of an appointment the best way to do this is via email.

Thank you for your continued support.
