This Week in Year 1 Miss Blythes

In Class 7 this week we have been busy making our own Moon Buggies as part of our Moon Zoom topic! The children have loved focusing on their D&T so far this half-term. They have all worked as team ants and resourceful squirrels to complete their buggies.

Reception Cycle Circus

Reception classes showed how they could work together as Team Ant during their Cycle Circus Workshop delivered by Telford and Wrekin. The children took part in a variety of activities teaching them about the Green Cross Code and road safety.

Our next Focused Attendance Week **will run from Monday 5th February 2024 – Friday 9th February 2024.** Here at Ladygrove we monitor attendance on weekly basis, however we would like you, as parents/carers, to work with us to ensure that your children attend school on time, on a regular basis. The class with the highest attendance and punctuality for Focused Attendance Week will earn an extra session of 'Golden time' and receive two entries into our attendance raffle with a chance of winning a prize for class. We believe that working together with parents and carers is the best way to result in positive attendance outcomes for our children. We promote good attendance and punctuality with the children in our school .

Dodgeball

Well done to our Year 6 dodgeball team. You represented the school brilliantly and acted as **Team Ants** throughout the whole competition. You showed fantastic skills, and you should be very proud of yourselves!
