This Week in Year 2 Miss Harris

This week in year 2 we have had lots of fun engaging in lots of exciting lessons, but a particular highlight was our science lessons where we planted seeds. We have started an investigation where we will observe and measure how 5 different bean seeds grow. Pot 1 had the conditions we felt a seed needs to grow including soil, water, sunlight, and a warm temperature. The other 4 pots had the same conditions except for 1 condition. Pot 2 had no soil, pot 3 was placed under the sink in the dark, pot 4 will not be watered and pot 5 was placed in the fridge so it was cold. We are excited to observe how each seed grows!

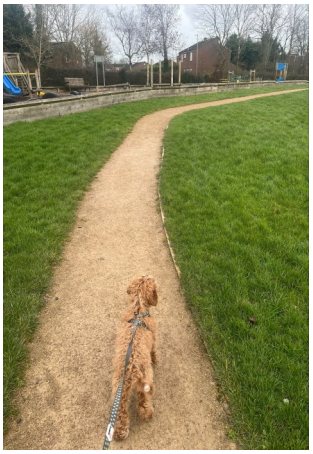

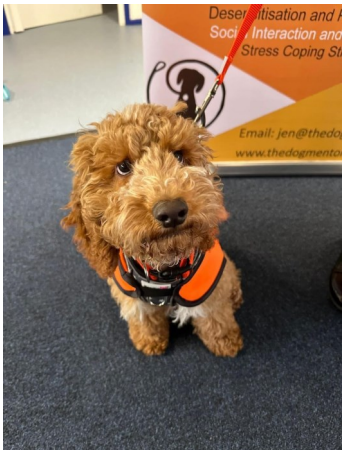

Girls Football

The girls did Ladygrove proud today, winning their first match 2-0! We then played two more matches and although we lost these, the girls never gave up and showed such great resilience. They played like the true team ants they are and represented the school well. Well done Team Ladygrove.

Celebrating Success

Trista from year 4 participated in the U11 Badminton England competition in Peterborough last Sunday. She played 9 games in total and won a silver medal in girl single and gold medal in mixed doubles. Congratulations!!!

Our next Focused Attendance Week **will run from Monday 11th March – Friday 15th March 2024.** Here at Ladygrove we monitor attendance on weekly basis, however we would like you, as parents/carers, to work with us to ensure that your children attend school on time, on a regular basis. The class with the highest attendance and punctuality for Focused Attendance Week will earn an extra session of 'Golden time' and receive two entries into our attendance raffle with a chance of winning a prize for class. We believe that working together with parents and carers is the best way to result in positive attendance outcomes for our children. We promote good attendance and punctuality with the children in our school .
