## This Week in Year 4 Miss Tranter

Year 4 have been learning about different types of poems, and have been writing our own free verse poems about solids, liquids and gases to link to our science topic for this half term. This week we all had a go at writing our own verses using metaphors, alliteration, personification and similes. We are all super proud of our poems! Well done class 3!

# Year 1 Auriga Astronomy Workshop

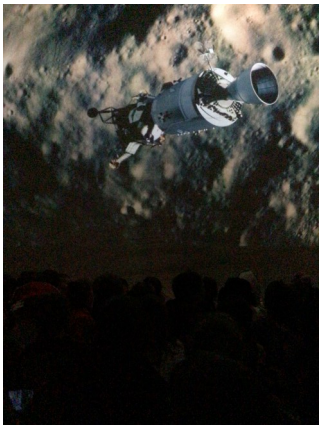

The children (and adults) really enjoyed dressing up for Space Day! We had some fantastic costumes. We also had a visit from Auriga Astronomy who bought their space dome. We enjoyed learning about Neil Armstrong, the Apollo missions and listened to a story about a dog in space!

"My favourite bit was when the astronauts took their first steps on the moon."

"I liked when we saw the rocket going up in to space."

"The story was really good. I liked listening to it."

"The lights and the stars were really pretty!"
