This Week in Year 4 Miss Tranter

This week In Miss Tranters class we had the pleasure of welcoming Miss Nock's mum in to deliver a workshop on how to make butter. We got to make some of our own and even got to try it! We absolutely loved learning about how people have to dress when making food to avoid contamination, and we are sure you'll agree we look super cool!

Celebrating Success

Hannah in year 3 started level 1 ducking when she was 3, she now completed her Bronze level 2 rookie (lifeguarding). Well done!

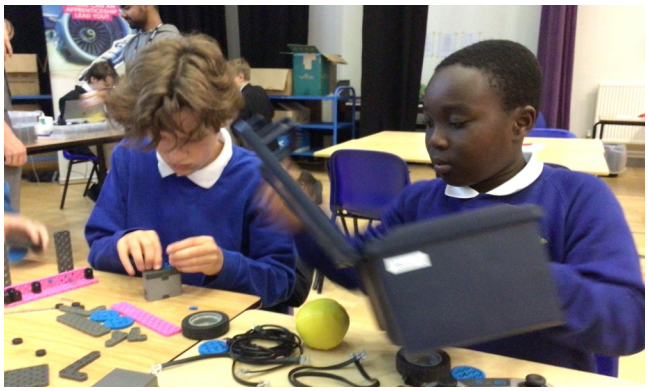

Emily in year 4 has been volunteering with the Cinnamon Trust, a charity that connects volunteers with elderly people to support them in caring for and walking their dogs.

VEX Robotics

A group of boys were given the opportunity to visit Madeley Academy to learn how to build and code their own robot. They then used their robot to compete against three other schools in a series of different challenges. The boys worked really well as a team, over coming many different difficulties and came joint second overall. Well done boys.

Young Carer

A young carer is someone aged under 18 who helps look after a relative who has a disability, illness, mental health condition, or a drug or alcohol problem. Most young carers look after one of their parents or care for a brother or sister. They do extra jobs in and around the home, such as cooking, cleaning, or helping someone to get dressed and move around.

Some children give a lot of physical help to a sibling who is disabled or ill. Along with doing things to help their sibling, they may also be giving emotional support to both their sibling and their parents.

This is a short film which explains the definition of a young carer and their role.
