Welcome Back

It has been lovely to welcome our new Reception children to school as well as other children we have admitted this week. All of your children have had a positive week and are working hard to show their new teachers their good behaviour and work. Our Year 6 children have made excellent buddies to the Year 1 children who have had their first week on the main playground.

We also welcome two new teachers to Ladygrove, Miss Lampitt who is teaching in Year 4 and Mrs Hodgson who has joined us in Year 1.

We would like to congratulate two of our members of staff who got married over the summer break – Mr Trusler who has married his partner. Mrs Lewis has also got married and is now known as Mrs Broom.

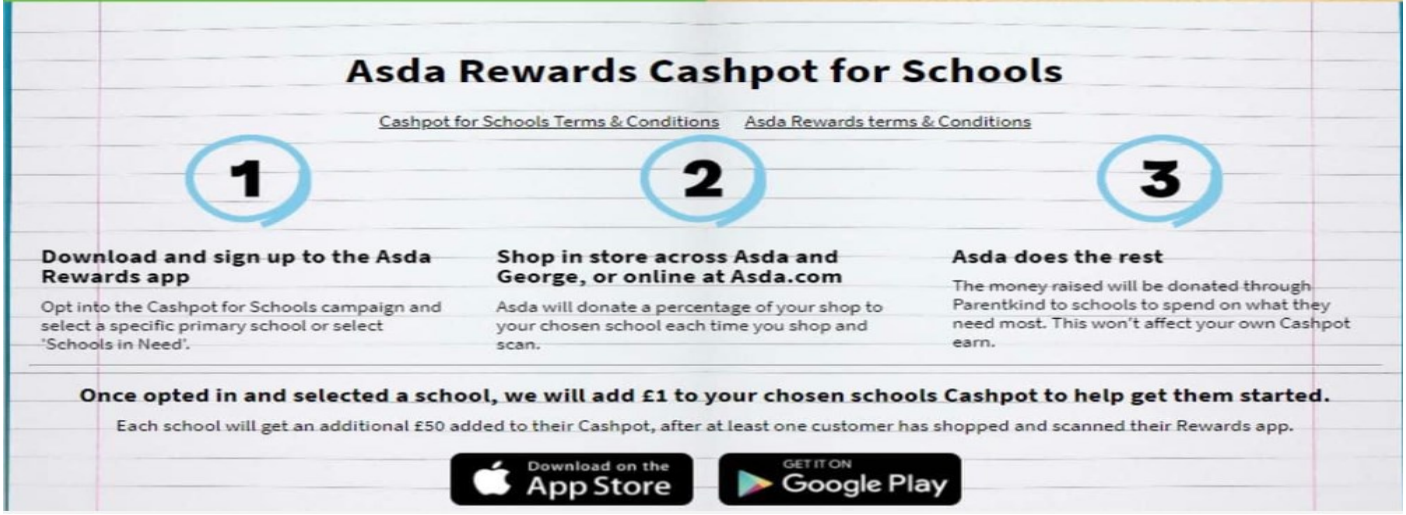

Mr Irvine has also become a father for the first time!

May I take this opportunity to thank you for making sure your children looked so smart to begin the new term. We know how expensive school unform is. If you need any support with uniform, please don't hesitate to contact Miss Barton.

We are very much looking forward to working with you and your children over the next academic year.

This week in Reception

Young Carer

A young carer is someone aged under 18 who helps look after a relative who has a disability, illness, mental health condition, or a drug or alcohol problem. Most young carers look after one of their parents or care for a brother or sister. They do extra jobs in and around the home, such as cooking, cleaning, or helping someone to get dressed and move around.

Some children give a lot of physical help to a sibling who is disabled or ill. Along with doing things to help their sibling, they may also be giving emotional support to both their sibling and their parents.

This is a short film which explains the definition of a young carer and their role.
