This Week in Year 3 - Mrs Tamplin

This week, the children have been busy learning the column method for addition. Some of the children had a go at showing their skills by teaching the class what they had learnt. I think we have some teachers in the making in Year 3! In English, we have been busy upskilling our vocabulary using thesauruses. We were impressed by some of the new words we found to make our writing even more exciting. In Science we have been learning how seeds are dispersed and had a go at creating our very own seed and explained how it would be dispersed. We have completed our first whole class reading book 'Fantastic Mr Fox' and can't wait to start 'Awful Auntie'. Keep up the hard work Year 3!

Celebrating Success

Year 4 The girl's played their first ever competitive football match against Lawley Primary school and represented our school incredibly. It was a game of two halves. The first half was settling into competitive football and finding their feet, the second half was played with grit and determination. The girls had smiles on their faces and can't wait until their match!

Trista in Year 5 won a silver medal for Judo at British Championships last weekend. She put 100% effort into it and had tough fights. We are so proud of her.

A huge Ladygrove well done to Brodie who won both Managers Player and Spectators trophies at football this weekend.
