Year 5 - Miss Beeching

In Year 5 the children have created a programmatic piece of music based on Holst's Planets. They thought carefully about the interrelated dimensions of music. The children had a wonderful time performing their pieces of music to the class.

P.E - with Mrs Barrow

In P.E this week the children were **Team Ants**, and used coloured scarves to show different movements, big and small, high and low. The children thoroughly enjoyed this and even linked our music lesson to the activity by singing songs that matched our actions.
