Year 4 - Mr Trusler

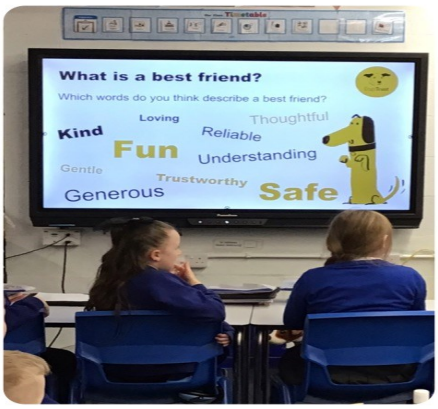

Today we had a visit from Dogs Trust to talk to the children about how to behave around dogs and how to make our dog best friends feel loved and respected. The children behaved brilliantly, following our SMART code and were able to answer lots of questions and give some great advice. We then made a promise of how to behave around dogs.

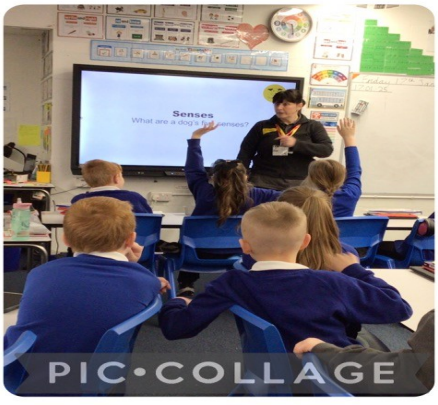

Cheerleading & Dance

Year 2 and Year 3 were excited to welcome the 'Cheerleading and Dance Academy' to deliver a taster session during their PE lesson. In line with the 'National Curriculum', the pupils learnt how to think in different ways, develop their creativity, competitiveness, and challenge themselves. This helped them to develop a broader range of skills, learning how to use them in different ways and to link them to make actions and sequences of movement. It was fantastic to see the smiles on all the children's faces as they completed team building challenges, rolls, lifts and sequences of movements.

AUTISM AND ADHD TRAINING FOR PARENTS

LEARNING SUPPORT ADVISORY TEACHING TEAM

IN THE PASTORAL POD AT LADYGROVE

2025
JANUARY 21ST
2:00PM-4:00PM

DELIVERED BY THE LEARNING SUPPORT ADVISORY TEACHER

ALL PARENTS/CARERS WELCOME!

PLEASE SIGN UP FOR THE SESSION VIA SCOPAY OR SPEAK TO THE SCHOOL OFFICE

YOUR PTA NEEDS YOU

NEW MEMBERS WELCOME

Each year we raise thousands of pounds for your child's school via local grants, school events like discos and Fayres, plus reaching out to the local community. With the help of the families of Ladygrove, we have been able to donate money towards the school MUGA and the new library. We can't do it alone; we need more members to work behind the scenes and also in person at our events, and we invite you to join us in making our school even better. You don't have to commit to any numberof set hours, just help out when you can. We'd love to hear from you,
Nicola & the PTA team

COULD YOU GIVE MARSHALL THE GIFT OF LIFE?

#MARSHALLSMATCH

Marshall aged 21, from Telford was diagnosed in 2023 with Folliculotropic mycosis fungoides (FMF) this is a rare and potentially aggressive type of cutaneous T-cell lymphoma (CTCL). This has now progressed to large cell transformation.

Sadly there is no current match on the stem cell register for Marshall. Its a race against time to find a stem cell match.

Family and friends are urging anyone that has not signed up to the stem cell register to join by using the QR codes below.

Aged 16-30 years

Aged 31-55 years

RACE AGAINST BLOOD CANCER
