Year 6 - Cadbury World

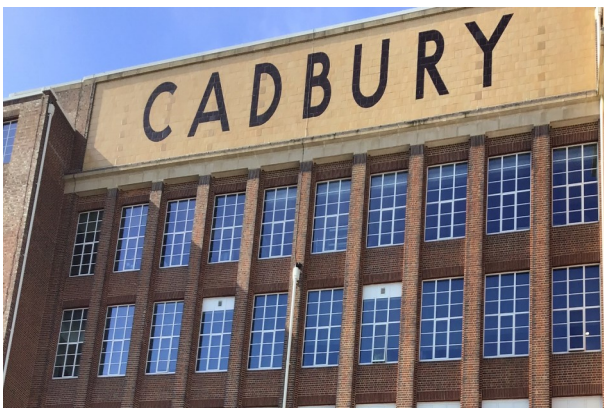

Year 5 & 6 Tag Rugby

Pupils from Year 6 participated in a tag rugby tournament this week, held at Haberdasher Abraham Darby School. They played brilliantly as Team Ant and always supported and encouraged each other. It was wonderful to them all rise to the challenge and represent our school. They came 3rd in the group stage and qualified for a final placement match which they won 6 - 2! Well done! We are all so proud!

Year 4 Girls Football

We would like to say a massive well done to Team Ladygrove at the Year 3/4 girl's tournament this week. This is only the 2nd time the team have played together, and they did a fantastic job with some amazing saves from Chloe, a Mary Earps in the making! It was wonderful to see so many happy faces. Even if they lost, they still held their heads high! Well done girls!

We had an assembly this week with Mickey Bushell, our Blue House Captain. The children were amazed at how successful he has been as a paralympic champion. The children were invited to ask questions about his life challenges and successes. We found out everything from how he drives, cooks, sleeps to how he has become a successful athlete. We would like to say a massive thank you to Mickey for inspiring our school children in challenging themselves and being resilient.

Celebrating for Success

Alfie-James in year 3 performed in his first dance show on Monday evening with Aspire Dance Company after starting dance in October. They performed at Prince of Wales Theatre in Cannock for SSPA's Gotta Dance show. He had an absolutely fantastic time, was brilliant and received a certificate too.

Beyond proud of Nethuni! Her amazing story "Magical Dream" has been selected for publication in "The Magical Map - Creative Tales"!

And to make it even more special, a copy of the book will be kept in the National Archives of the British Library FOREVER! Congratulations, Nethuni!

Our Eco-Committee have worked as TEAM ANTS. They successfully obtained a grant from West Mercia Energy Social Value Fund for recycling bins. This will help to ensure our plastic and aluminium waste is recycled and separated from 'general waste'. Today, they shared the exciting news and explained what should go in each bin to the whole school.

Grey bin – Please put aluminium waste into this bin such as drink cans.

Red bin – Please put plastic that can be recycled in this bin.

Black bin – Please put non-recyclable waste into this bin.
