The Book Bus

The Book Bus visited Ladygrove Tuesday! The children loved looking at the books and buying some books.

History Timeline

We are very excited to announce the completion of our hand-painted historical timeline, which has been funded by the PTA. The timeline shows the different periods of history up to the present day. It also includes important events locally.

It will be very useful in supporting our children in the understanding of chronology, which is the ordering of events in the past.

The timeline was designed and hand-painted by Graphic Designer Kate James. She took the ideas of school's History coordinator, Deborah Dodds, and brought them to life in images and colour. She is also a past student and a mother to two of Ladygrove's current pupils, so the project was very important to her.

Our fantastic new timeline is now proudly in place in our hall.

Ladygrove would like to say a huge thank you to Kate and the PTA for making this possible.
