Our Learning this term!

This term we are off on a seaside adventure! We will find out about the life of Grace Darling and the importance of light-houses to sailors. In History, we will be finding out how seaside holidays have changed over time and we will compare our holidays today to those in Victorian times. In Geography the children will find out about the UK and discover where seaside towns are located using the atlas. We will also find out about the human and physical features of the seaside. In Art we will be looking at painting and mixed media. In Maths we will be recapping addition, subtraction, multiplication and division and we will begin to work through SATs style questions in preparation for our assessments the week beginning Monday 23rd June. In our Read Write Inc and Comprehension groups we will be working on reading books with accuracy, fluency and expression. We will also focus on retrieving information to support us in our reading assessments. Our writing will focus on using a range of punctuation and conjunctions to engage the reader as we look at the following texts: Seaside Poetry, The Lighthouse Keeper's Lunch and The Snail and the Whale. In Science we will explore our topic of Habitats.

Times Tables

Please practise your 2, 5 and 10 x tables at home.

Times Table Rockstars can help with this. The login details are the same as your Numbots details.

Reading diaries:

Children are required to read to you at home ***at least*** *3 times a week as part of their homework. Please ensure you record in the reading record when you have heard your child read so they can get a sticker on their bookmark.*

Spellings

Spellings will be tested on Friday's. Spelling tests will be completed in spelling books and sent home so that you can see your child's progress. New spellings will be issued in homework books every Friday.
