Spring Term Parent Survey 2025

Thank you for your responses from the Autumn Term Parent Survey. As a result of your feedback, we have made the following changes:

-Ensure all children have any logins in their diaries/homework books and that this is promoted in class and across school.

-Send out assessment data after assessment weeks in school.

-Share spelling test results with you.

-There will be parent workshops coming up to help you with supporting you child with schoolwork such as reading and maths. Please check the newsletter dates.

-Planning is available on the website under class pages. There is also lots of information on our Early Help offer as well as SEN support – please take a look.

-We have extended Welcome Wednesdays to support parents/carers visiting classes of more than one child. We hold termly class assemblies in the afternoons to support those who cannot attend morning events.

-A few comments have mentioned the change to lunch club. Miss Piper now supports these children on the playground to better support socialising with their peers.

At Ladygrove we welcome your feedback. You can include your name on the questionnaire if you want, so we can get back with you about any queries or comments.
