

Year 2 Homework

In Year 2 we would like children to read with an adult at home as many times as possible. In addition, we will be sending weekly spellings for children to practise. These will be on a sheet glued in their homework books. Spellings will be tested on Friday's and new spellings will then be handed out. For the first half term the focus will be on the Year 1 and 2 red words. Red words can't be sounded out, so they need to be learnt from memory. We will practise them every day in school to help your child but please let us know if they are struggling and we will adapt the spelling list for them if needed.

We have also sent out log in details for Times Table Rockstars. This is an online platform for learning and practising the times tables in preparation for Key Stage 2. We have included a guide for using the software. We will also be adding video links for the RWI sounds to the class webpage if you wish to practise sounds with your child at home. Below are some other websites suitable for Year 2 children, although these are optional and there is no expectation for your child to use them:

www.ictgames.co.uk (Maths and English Games)

www.bbc.co.uk/bitesize/primary (games linked to all subjects)

www.phonicsplay.co.uk (A range of phonics games-some are free, some need you to subscribe)

www.topmarks.co.uk (games linked to all subjects)

Many thanks for your support,

Miss Thomas and Mrs Edwards
