This Week in Year 1 - Mrs Hodgson

The children in Class Seven have had a wonderful few weeks, settling well into Year One. In Maths, the children have been real Tough Tortoises learning about place value, addition and number bonds to 10. They have also thoroughly enjoyed starting their topic 'Enchanted Woodland'. They have had lots of fun exploring during their outdoor learning at 'The Spinney'. The children have been wonderful Team Ants working together learning the rules of 'The Spinney', as well as making potions by gathering natural objects and using their sense of smell to describe what they found. In addition, they read and made a 'Bog Baby' by using natural materials to create the woodland creature and its habitat.

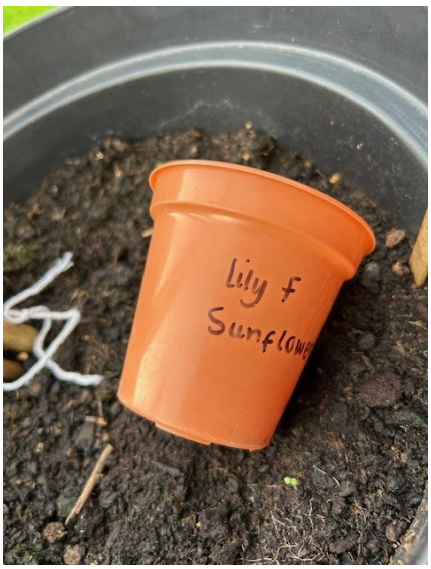

Sunflower Update!

Lily's sunflower started from a tiny little sprout that she came home with from reception (Mr Clarke's class) It has been growing nicely and she has been looking after it ever since with her nanny and grandad!

As a school we follow advice and guidance from the DFE, NHS and Food Standards agency when implementing our polices.

Most children require a snack at morning break to keep them going through the day.

We encourage children to bring in healthy snacks.

Many of these will help contribute to their 5 daily portions of fruit and vegetables, keep them alert and help them concentrate.

Children in EYFS and KS1 have a daily snack of fruit or veg provided for free by the government, so additional snacks for these ages may not be required.

Breaktime Snacks:

Fruit/Vegetables, Cheese, Yoghurt or Crackers

We need the children to stay hydrated and so please ensure they bring a named water bottle into school daily.

Children should only have **water** in their bottles during the school day.

We can only allow juice in bottles for medical reasons if we are provided with proof from the GP.

Thank you for your understanding and support in implementing our polices.
