This Week in Year 4

Year 4 Reading Sharing Assemblies!

Over the last two weeks, the Year 4 children in **MT Class 9** and **LW Class 3** have shared their fantastic learning with families during their class assemblies. They began by talking about the books they have been reading in school and explained how **reading is the golden thread to learning**, because it helps them in every subject. The children spoke confidently about how reading helps them understand new ideas, discover new vocabulary, and enjoy exciting stories.

They also shared their thoughts about their class book, *There's a Boy in the Girls' Bathroom*. The pupils described how they used reading skills like predicting what might happen next, understanding how characters feel, and picking out important events. Their ideas showed how much they have learned from the story.

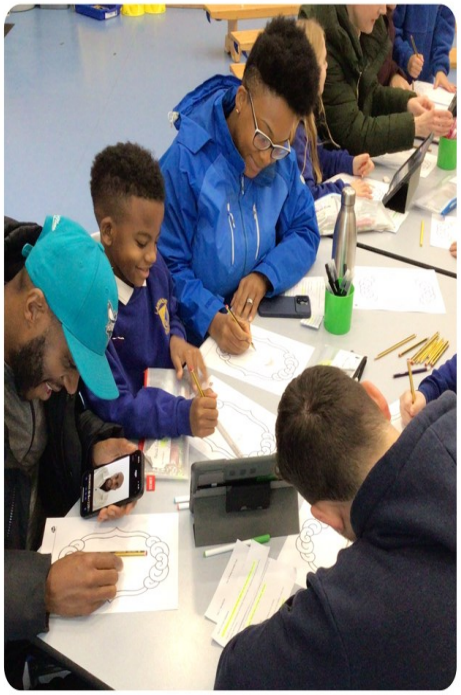

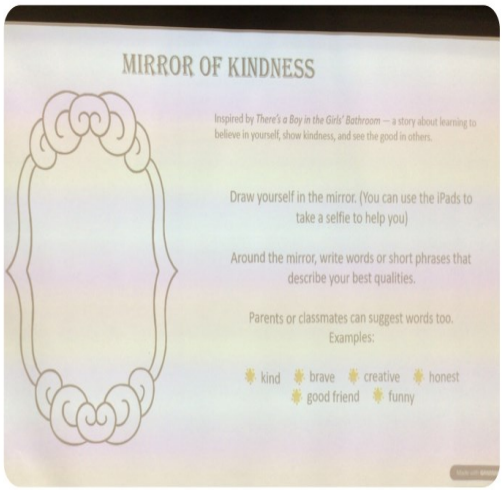

MIRROR OF KINDNESS
Inspired by *There's a Boy in the Girls' Bathroom* — a story about learning to believe in yourself, show kindness, and see the good in others.
Draw yourself in the mirror. (You can use the iPads to take a selfie to help you)
Around the mirror, write words or short phrases that describe your best qualities.
Parents or classmates can suggest words too.
Examples:
kind brave creative honest
good friend funny
