Year 4 - Blue Planet

To end their topic on Oceans, Year 4 visited Blue Planet Aquarium! We saw a huge range of sea creatures, including piranhas, sharks, eels, and even snakes, lizards and tarantulas. The children loved the Aqua Theatre Show, where we learnt about the animals in the Shark Tunnel and some diving sign language.
In our Coral Reef Workshop, we explored what coral is, the threats facing coral reefs, and how we can help protect them. A highlight for many was the Shark Tunnel, home to 100 species, including five types of shark, swimming right above our heads.
Well done Year 4 for showing all of our Ladygrove Values throughout the visit!
