Paper 2 Example Pages

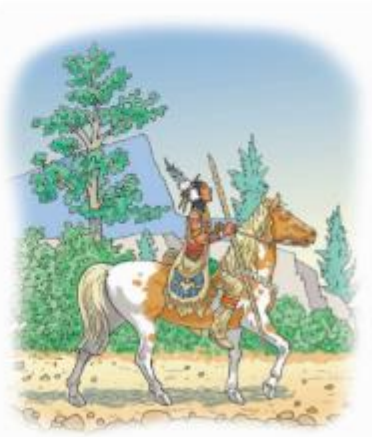

This is an old Native American story about a man called Heron Feather and the time he met a fox.

Heron Feather is a Native American warrior. Warriors were sometimes known as 'braves'.

The Fox and the Boastful Brave

One fine day, a hungry fox was walking down the road. His tummy was rumbling so loudly that he almost didn't hear the sound of someone coming. Just in time, he heard someone singing. Fox dashed off the path and hid behind a bush.

Over the top of the hill, he saw a tall feather. Fox crouched down and prepared to pounce on the bird. Imagine his surprise when he saw that the 'bird' was riding a horse! The feather was stuck in the headdress of a handsome young man who was riding along the path, singing as he went, "No one is handsomer than Heron Feather. No one is a better fisherman than Heron Feather. And I should know, for I am he."

Age Related Expectations

KS1 SATs tests are one part of evidence towards the whole teacher assessment. They are marked in school, and an overall grading based on the whole year's work will be made and shared in your child's report. The grades awarded will be one of the below:

Working towards the expected standard (working towards the Year 2 Curriculum).

Working at the expected standard (All of the Year 2 Curriculum knowledge is secure).

Working at greater depth (very secure in the Year 2 Curriculum, with depth).

How can you help your child prepare?

- Help your child with reading, listen to them read and focus on bringing out a ‘love of reading’. Also reading stories to your child allows them to develop language, listening skills and comprehension. Encourage making predictions of what might happen next.

- Help your child with writing, support with weekly spellings. Write together to make shopping lists and letter writing.

- Help your child with maths, play times table games. Encourage them to help with cooking, weighing and measuring ingredients. Work out what time it is together. Provide opportunities for your child to pay for things in a shop, to work out how much things cost and how much change will be needed.
