29th June 2026

Dear parents and carers,

As part of our commitment to supporting children's health, wellbeing and readiness to learn, we provide a daily snack in nursery.

These snacks are carefully chosen to promote healthy eating habits and to give children the energy they need to play.

Healthy snacks offer many benefits, including:

- Supporting concentration and learning
- Providing essential nutrients for growth and development
- Encouraging positive, lifelong habits
- Promoting social skills as children share snack time together

To help us continue providing a consistent and high-quality snack provision, we kindly ask for a voluntary contribution of £9.50 for Autumn 1 half term (reduced for children attending less than 5 days). This contribution will go directly towards purchasing fresh and nutritious items such as fruit and vegetables and other healthy options. Please make your payment via the Scopay app, this needs to be ordered and paid for by **Friday 31st July 2026.** If you have not yet logged onto Scopay, please contact the school office.

The total cost of **£9.50** covers the period from **Wednesday 2nd September 2026 to Friday 23 October 2026**.

If you have any questions, please do not hesitate to get in touch.

Thank you for your continued support.

Kind regards

Miss R Morgan
Nursery Teacher
