October 7th 2026

Dear Parents/Carers,

As part of our topic in the Spring Term, Space Exploration, we have booked a visit for Year 5 children to the National Space Centre in Leicester on **Wednesday 20th January 2027.**

The cost of this visit is **£26.42.** We recognise this is a considerable amount and are therefore giving as much notice as possible. Under the requirements of the Education Reform Act 1988, we can only raise the cost by voluntary contributions. There is no obligation to contribute, and children will not be treated differently according to whether any contribution has been made. **However**, **this visit will only go ahead if the level of support is sufficient, if we do not have this level by the 18th December 2026, the decision will be made to cancel.**

We will be leaving promptly at an earlier time of 8.00am and we are travelling on a coach to the centre. We will then leave the centre to return to school ready for the end of the school day.

Your child will need a packed lunch and water bottle (no glass bottles or fizzy drinks). Please ensure that all products are nut free due to allergies in school.

If you are in receipt of free school meals school can provide a packed lunch. Please email A2168@taw.org.uk to arrange this. Otherwise, we ask that you send lunch in a disposable bag, so that these can be disposed of after lunch, as there is nowhere to store lunch boxes.

Children need to wear their **Ladygrove school uniform, a warm/waterproof coat and a pair of trainers/sensible walking shoes.**

Please log onto your Scopay account tick the box giving consent for your child to attend the trip and make a voluntary contribution by **Friday 18th December 2026.**

If you have any questions, please do not hesitate to contact your child's class teacher.

Yours sincerely,

Miss Taffinder and Miss Wheeler
